1

Studio Vinyl Courier Bag with Zipper from Dollarama

1

Pair of **sneakers** to be **kept at school** (worn indoors only, including Phys.Ed)

1

**Spill proof** water bottle

### Suggested Items:

- Box of Kleenex
- Baby Wipes/Wet Ones (for clean hands!)
- Large and Medium ziplock bags
- Large lunch bag (able to easily fit containers in it)
- **Large** backpack (message bags, lunchbags, water bottles, extra clothes and outerwear ie splashpants, hat)

### Helpful hints and teacher tips:

- Please end all supplies **unlabeled** in a bag before or on the first day of school for shared classroom storage and termly restocking.
- Please do not purchase themed supplies. Fancy pencils and folders can be distracting and are typically of lower quality.
- Please stick to the colors and materials on the list, as they are specifically chosen to support your child's learning activities..
- All non-classroom supplies: bags, clothing, containers and shoes should be labeled
- The recommended brands last longer, minimizing the need for mid-year restocking.
- Looking forward to meeting you in September! Enjoy your summer!
